COMMAND ACCESS TERMS

PRICES: All list prices are subject to change without prior notice and are not guaranteed. All prices are per unit (each) unless otherwise specified and do not include sales or local taxes. All shipments will be made at prices prevailing at time of shipment.

EXPEDITE FEE: A customer may request that an order be expedited. Expedite fees will be determined based on current production capacity and any overtime required to meet the customer's requested timeline. Fees typically range from 25-50% of the cost of the expedited items. CAT reserves the right to decline expedite requests based on current workload and production capacity. Not all expedite requests can be granted. Please call Customer Service at 888-622-2377 for approval before placing an

PAYMENT TERMS: The standard credit terms of Command Access Technologies (herein called CAT) are 2% 10 days net 30. To qualify for the 2% discount, payment must be received by CAT within 10 days of invoice date. After day 10, the full invoice amount is due. Net 30 means payment must be received at CAT on or before 30 days from the date of the invoice. Interest will be charged at the rate of 2% per month on all past due accounts, calculated from day 31.

ACCEPTANCE OF ORDERS AND/OR QUOTATIONS: Possession of prices from CAT does not commit CAT to accept any order. CAT reserves the right to refuse any order and will not be bound to fulfill any order until it has been accepted by a representative of CAT and confirmed by a written acknowledgement. Quotations are valid for thirty (30) days following the date of the quotation.

OPEN ACCOUNT STATUS: CAT reserves the right to decline or discontinue direct sales to any customer who does not meet an annual minimum sales requirement of **\$10,000.00** in invoiced purchases. Accounts falling below this minimum may be converted to prepay status or may be directed to purchase through our authorized distribution partners after a 30-day notice period.

ACKNOWLEDGEMENTS: An acknowledgement is an exact copy of a customer's order as entered by CAT and should be verified by the customer. If the acknowledgement does not agree with said customers understanding CAT should be advised within (3) three days or the order will be billed as acknowledged. CAT's sales terms shall apply irrespective of any special stipulation appearing in customer order, unless specifically acknowledged and accepted by CAT.

RETURNED GOODS: The customer must advise customer service at CAT of merchandise to be returned and a Returned Goods Authorization (RGA) will be issued. CAT will not accept goods returned without an RGA. Full credit against further purchases or a replacement will be made at the option of CAT if upon investigation reveals that goods were shipped in error (when reported within 30 days of receipt) or if goods are defective in workmanship or material (when reported within the warranty period). Otherwise, a restocking fee of not less than (25) twenty-five percent will be charged. All merchandise must be PREPAID AND PROPERLY PACKED. All C.O.D. orders shipped to CAT will be refused. Returned goods must be packed in their original boxes. If product has been installed it cannot be returned but only repaired, please consult factory for repair costs (unless under warranty). No credit will be given for product not in its original form unless, upon CAT's inspection, product is found to be defective. If product is returned as defective and is found to be operational, product will be returned to customer (C.O.D.) and no credit will be issued.

MINIMUM CHARGE: No order will be invoiced for less than \$25.00 net plus shipping charges.

SPECIAL ORDER: When a special order is accepted, and entered, no change can be made and the order is non-cancellable.

CHANGES OR CANCELLATIONS: When a special order is accepted, and entered, no change can be made, and the order is non-cancellable. Cancellation for items already packed for shipment will be removed if possible. A twenty-five percent (25%) restocking fee will apply.

CLAIMS OR SHORTAGES: No claim for damage, shortage, or loss in transit will be accepted unless notice is given in writing to the carrier and to CAT within (10) ten days of receipt of goods. Documentation of damage, including photographs of damaged product and packaging, must be provided with all claims to expedite processing. CAT reserves the right to request inspection of damaged goods before issuing credit or replacement.

BACK CHARGES: CAT is not responsible for, does not authorize, and will not accept any charges for the cost of labor, travel or material incurred by anyone other than CAT for any installation, repair, service, or replacement unless incurred with CAT's prior written consent and agreement. To obtain authorization for back charges, customers must submit a written estimate detailing all costs before work begins and receive written approval from a CAT representative. Unauthorized back charges will not be honored.

FREIGHT CHARGES: All goods are invoiced F.O.B. CAT, Yorba Linda, California. Freight charges are prepaid and are added to invoice. Consignee pays C.O.D. freight charges when delivered to the Freight Company the shipment becomes the property of the purchaser, who assumes the risk of loss or damage in transit. If invoice exceeds \$1,500.00 net, full-service freight by UPS or our choice within the continental U.S.A. (excluding Hawaii, Alaska, Guam & Puerto Rico) is deductible, provided invoice is paid within set terms. Custom fabrications, oversized items (exceeding 48" in any dimension), and hazardous materials do not qualify for freight deduction. Airfreight and other special shipments are not deductible. CAT does not ship to directly to Canada, for all Canadian destinations please contact Connection Network Agencies at 905-823-3002.

PRODUCT CHANGES OR CANCELLATIONS: CAT reserves the right to modify or discontinue any price, product, design, function and finish without prior notice.

LIMITED WARRANTY: Command Access Technologies warrants that its products are free from defects in workmanship and material under normal use and service. Since CAT does not control product usage, CAT makes no representation as to the degree of security conveyed by the use of any product. This warranty does not cover defects or damage which occur from improper maintenance, improper storage, improper installation, shipping and handling, ordinary wear and tear, misuse, abuse, accidents, unauthorized service, work done by others or consequential damages. CAT will not pay for the cost of repair performed other than in accordance with this warranty. CAT can only perform authorized warranty work at the factory. CAT's only liability, in tort or contract, whether under this warranty or otherwise, is limited to providing repair or replacement of any product or component part which is proven to be defective as covered by the warranty, within three (3) years after delivery from CAT to the original purchaser. Written notice of a product or component part believed to be defective, as covered by this warranty, should be sent to Command Access Technologies 22901 La Palma Avenue, Yorba Linda, CA 92887. Include Claimant's name, address, phone, and identification of the product, invoice number and date, and a brief description of the defect. Upon receipt of such notice, a CAT representative will contact claimants to where to ship such product or component part, with shipping charges prepaid, for examination and, in the event such examination reveals a defect covered by this warranty, the product will be repaired (existing product installed 6+ months) or replaced (all new installations of 6 months or less). This warranty is in lieu of all other express warranties. To the extent permitted by law, all implied warranties are limited to the duration of this warranty. CAT shall not be liable for any incident or consequential damages. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above may not apply to you. This warranty gives you specific legal rights, and you may have other rights, which vary, from state to state.

PRODUCT FINISHES: Although CAT modifies products with the finest protective coatings, they do have their limitations. In time, they might deteriorate from extremes in climate, frequency of use, perspiration, or other factors. CAT does not consider excessive wear or tarnishing of the finish because of any of the above conditions as a defect. It is considered a normal process, which cannot be avoided. Thus, CAT cannot guarantee product finishes and will not repair or replace finishes under this warranty.

PS220	2A, 24V regulated PS w/boost circuitry for up to (2) electric latch pullback devices. Includes (2) solid state inputs/outputs and a fire alarm link. (1) 24VDC Power Tap	\$398
PS220B	2A, 24V regulated PS w/boost circuitry for up to (2) electric latch pullback devices. Includes (2) solid state inputs/outputs, battery charging circuit, and a fire alarm link. (1) 24VDC Power Tap. Battery Back-up	\$466
PS440B	4A, 24V regulated PS w/boost circuitry is capable of powering up to (4) electric latch pullback devices. Includes (4) solid state inputs/outputs, battery charging circuit, and a fire alarm link. Battery Back-up	\$525
PS480B	4A, 24V regulated PS w/boost circuitry for up to (8) electric latch pullback devices. Includes (8) solid state inputs/outputs, battery charging circuit, and a fire alarm link. Battery Back-up	\$573

POWER SUPPLIES FOR MOTORIZED LATCH RETRACTION, MORTISE/CYLINDRICAL LOCK, & EXIT TRIM

PS204	2A, 24V regulated PS w/boost circuitry for up to (4) MOTORIZED electric latch pullback devices. Includes (4) solid state inputs/outputs, and a fire alarm link	\$373
PS204B	2A, 24V regulated PS w/boost circuitry for up to (4) MOTORIZED electric latch pullback devices. Includes (4) solid state inputs/outputs, and a fire alarm link. Battery Back-up	\$424

POWER SUPPLIES & AUXILIARY BOARDS

PS-OP-2	Replacement Relay Board for PS202/202B/220/220B (Specify Series)	\$219
PS-OP-4	Replacement Relay Board for PS204/204B/440B (Specify Series)	\$231
PS-OP-8	Replacement Relay Board for PS480B	\$244
SW3	2.4A 27VDC regulated power supply w/ (3) non-fused outputs for electric strikes, mortise locks and cylindrical locks. **NOT UL**	\$212
BB12V7	Set of (2) 12VDC 7AH Batteries for Power Supplies with Battery Back-Up	\$170
CAMLCK-PS	Cam Lock For Command Power Supplies	\$35

LOCKING HARDWARE AUTO-OPERATOR

Heavy Duty Auto-Operator - On-Board door sequencing, Push To Learn, & locking hardware power tap.

CATHD0100-PUSH	Command Heavy Duty Locking Hardware Auto-Operator 39" -Alum/Duro/Black - Push Arm - Handing Reversible	\$3700
